Dear Parents/Carers,

I hope you are all keeping safe and well.

From Monday 7th September Douglas Valley will be reopening to all children. We are looking forward to welcoming the children back to school, we have really missed them all.

We have carefully planned our return to school following the government guidance. Attached is our 'Information on returning to school', please read this as it provides guidance on the processes that will be in place from September 2020.

Please see our school website for an information leaflet on 'preparing your child for the first day' back which you may find useful.

Thank you for your support over the last few difficult months and we look forward to seeing you in September.

Best wishes,

Catherine Ardern
