PARENT UPDATE

We are closed for half term Monday 15th February to Friday 19th February. Douglas Valley reopens on Mon 22nd February.

Please remember that if over the half term break your child develops symptoms of coronavirus, you must book a test and self-isolate until the results of your test are known.

Please inform school that you have booked a test and the results of the test when you receive them by e mailing headteacher@admin.douglasvalley.wigan.sch.uk

This e mail will be monitored twice a day over the half term break.

Thank you for your continued co-operation. Enjoy the half term break.

Best wishes

Catherine Ardern
