

RISK ASSESSMENT (GENERIC)

Location: Douglas Valley Nursery School (Step 4). (V2)

Assessor: LA

Agreed by Governors: 14/12/21

Date of Assessment: 31st August 2021. Updated 09/12/21

Review Date: OPEN

Activity: Step 4 COVID-19: Primary School (V2) - September 2021.

Step 4 of the roadmap marks a new phase in the government's response to the pandemic, moving away from stringent restrictions advising schools on how to protect themselves and others, alongside targeted interventions to reduce risk, to COVID-19 becoming a virus that we learn to live with and reduce the disruption to our pupil's education. **It is anticipate there may be further changes to this document should there be changes in national guidance.**

Control Measures that will continue, include; (See appendix A)

1. Ensure good hygiene for everyone.
2. Maintain appropriate cleaning regimes.
3. Keep occupied spaces well ventilated.
4. Follow public health advice on testing, self-isolation and managing confirmed cases of COVID-19.

This assessment and the Public Health advice is provided to support the school management to reduce the risk of transmission of coronavirus (COVID-19) in their school. An Outbreak Management Plan guide is included at the end of this document including the control measures that may need to be considered for re-introduction (for a limited time and the advice provided by Health Protection,) to help manage outbreaks in our school.

With the identification of the Omicron variant the Government has implemented Plan B of the COVID-19 Response on 8th December 2021. This risk assessment has been updated accordingly.

This generic assessment follows the Governments guidance (**DfE School Operational Guidance.** and **Actions for Early Years and Childcare Providers during the COVID-19 Pandemic.** which covers the expectations for the support of all pupils including children with special educational needs and disability (SEND) and those with education, health and care plans, within the school.

- Guidance Rapid asymptomatic testing in specialist settings (applies from Step 4)
- Rapid asymptomatic testing in specialist settings (applies from Step 4) - GOV.UK (www.gov.uk)

This assessment is undertaken in compliance with the Management Regulations to aid the planning and monitoring of a safe working environment for both staff and pupils of the school. Information will be **updated** throughout **the** summer period if/when the situation changes.

The operational details for the daily management of the school can be entered into this or your assessment, or by a separate document provided to all staff.

Hazard	Risk	Individuals at risk	Risk – L/M/H	Control Measures (Current)	Control Measures (Additional – Proposed)
<p>Building Safety</p> <p>Legionella Management</p> <p>Asbestos Management</p> <p>Statutory Requirement for Servicing of plant and Equipment. Pressure systems Passenger Lifts Lifting equipment</p>	<p>Compliance with HSG 274</p> <p>Compliance with Asbestos Reg 12 & HSG 264</p> <p>Compliance with PSSR 00 LOLAR 98</p>	<p>All Building Users</p>	<p>Low</p>	<p>Domestic hot and cold water services</p> <p>The requirements for the management of your buildings water system must be completed to the requirements of HSG 274 and your Legionella maintenance schedule. This includes calorifiers/direct fired water heaters/sinks/ basins/ showers / thermostatic mixing valves. (Blended hot water)</p> <p>Weekly, monthly and periodical maintenance must be completed, and records maintained as per the Legionella Assessment schedule.</p> <p>Ensure your asbestos file is up to date including any new works undertaken, any concerns discuss with your Asbestos consultant.</p> <p>Thorough Examination & Test is a critical component of a management process to ensure the safe operation of equipment whose failure through deterioration can create dangerous situations, physical harm and business disruption. The statutory obligations to TE&T remain in place and the HSE expects dutyholders to make all reasonable efforts to arrange for TE&T to be carried out within the statutory time limits. The HSE strongly recommend that TE&T are completed. If a failure occurs due to a safety related fault, enforcement action may be taken.</p> <p>Any concerns to the TE&T, discuss with your managing agent and/or your specialist contractor consultant.</p>	<p>HSE Guidance Note to Dutyholders and Inspectors. https://www.hse.gov.uk/news/work-equipment-coronavirus.htm</p> <p>Required - If any equipment is outside of the inspection date, the school management to contact their specialist contractor and have the TE&T completed asap.</p>
<p>Building Hygiene</p> <p>Deep Clean of all areas of the school</p>	<p>Compliance with current hygiene standards published by the gov.UK.</p>	<p>All Building Users</p>	<p>Low</p>	<p>It is important that arrangements remain in place to ensure that pupils and staff are safe.</p> <p>Implement the system of controls, endorsed by Public Health England, regarding Infection and prevention control.</p> <ol style="list-style-type: none"> 1. individuals who have symptoms of coronavirus, (COVID-19) do not attend school, 2. promote good hand and respiratory hygiene, 3. review and update enhanced cleaning, including cleaning frequently touched surfaces using standard cleaning products and bacterial wipes, 4. minimise contact between groups where possible. <p>A thorough clean and sanitisation of all rooms and surfaces has been undertaken over the summer break including frequently touched areas include;</p> <ul style="list-style-type: none"> • Banisters 	<p>Guidance Cleaning in Non-Healthcare settings outside of the Home. https://www.gov.uk/government/publications/covid-19-decontamination-in-non-healthcare-settings/covid-19-decontamination-in-non-healthcare-settings</p> <p>Hand sanitiser stations located at every entrance and at points throughout the school. Hand sanitiser provided for all staff and pupils in classrooms and offices.</p> <p>School protocols provided to all staff and visitors includes information about</p>

				<ul style="list-style-type: none"> Classroom and office desks and tables Bathroom facilities (including taps and flush buttons) Door and window handles Furniture Light switches Visitors' reception area Teaching and learning aids Computer equipment (including keyboards and mouse) Sports equipment Telephones. <p>Utilise pest control for insect infestations, particularly in the kitchen and/or food preparation areas.</p> <p>Anti-bacterial hand gels or wipes are located in the school reception foyer for a visitor to use before they are allowed into the secure area of the school. Social distancing for escorted visitors to be maintained.</p>	<p>the school procedures.</p> <p>Additional signage around the school building and premises reminds staff and pupils about social distancing.</p> <p>Any equipment that is shared in teaching areas can be cleaned using the multi-use antiviral wipes provided in each room.</p> <p>Help contain any outbreak by following the advice of the local health protection team advice.</p>
Building Users. Ventilation.	HSWA 74 W(HSW)R92 DoE BB103. Building Regulations	Pupils, staff and visitors.	Low	<p>Ventilation of the building and classrooms is important to reduce natural pollutants, provide fresh air to enable pupils to stay alert and potentially with other hygiene measures reduce the life cycle of the coronavirus.</p> <ul style="list-style-type: none"> natural ventilation – opening windows in classrooms to promote through ventilation (in cooler weather windows should be opened just enough to provide constant background ventilation and opened more fully during breaks to purge the air in the space). Opening internal doors can also assist with creating a throughput of air. Poorly ventilated spaces to be identified and where possible the air flow to these spaces to be improved or limited in there use. If the door is wedged open, ensure the Building Fire Plan is amended to state that if the room is left unoccupied, the door must be closed and on a fire evacuation, the wedge must be removed. Intermediate fire doors along the escape route can only be left open if they are fitted with a magnetic hold open device linked to the fire alarm, or a device such as the Dorgard. Air Conditioning Units do not need to be switched off unless you have a centralised ventilation system – Seek advice from your Heating Ventilation and Air Conditioning engineer. (HVAC) Particular consideration will be given to adequate ventilation pupil staff and visitor numbers when holding events such as during the Christmas season. Further advice will be sought from Public Health and/or the Safety Team in these situations. 	<p>Government guidance.</p> <ul style="list-style-type: none"> DoE BB101 Ventilation in schools. <p>Guidance Step 4 Schools COVID-19 operational guidance (applies until Step 4) Schools COVID-19 operational guidance (applies until Step 4) - GOV.UK (www.gov.uk)</p> <p>Do Not Use the fire extinguishers as a door wedge. Use of a Dorgard Hold Open Door Retainer should be used, Compliant to BS7273-4 2007</p> <p>To minimise drafts:</p> <ul style="list-style-type: none"> open high level windows in colder weather in preference to low windows. increasing the ventilation while spaces are unoccupied (for example, between classes, during break and lunch, when a room is unused) providing flexibility to allow additional, suitable indoor clothing rearranging furniture where possible to avoid direct draughts.

Fire Management	Compliance with the RR(FS)O BB100	All Building Users		<p>Review and if necessary, update your building fire management plan to ensure any changes to fire escape routes are clearly identified and communicated to staff and pupils.</p> <p>Prior to the increased routine of the school:</p> <ul style="list-style-type: none"> Physically test the fire alarm system and emergency lights are operational. Complete a planned Fire evacuation within 14 days of the start of the new term. Carry out weekly checks of alarms systems, call points and emergency lighting. Carry out regular hazard spotting to identify escape route obstructions. Check that all fire doors are operational and fit for purpose. Review, update and test individual named PEEP's 	Record details of maintenance and equipment tests in the building Fire Log-Book/Management file
Catering service	HSW 74	Pupils, Staff and Visitors	Low	<p>The only catering service provided by the school is the provision of snacks.</p> <p>A deep clean of the snack kitchen has been completed including all equipment and extraction vents prior to the start of the academic year.</p> <ul style="list-style-type: none"> Adult child ratios will be maintained over the lunchtime period. All children will eat in their group area Clean tables/seating after each bubble has left together <p>There is no longer any need to make alternative arrangements to avoid mixing at lunch times as bubbles are no longer mandatory, however wherever possible different age groups will have lunch in their own rooms. However, be aware that in the event of an outbreak bubbles will not mix during lunchtimes.</p> <p>.</p>	<p>Additional cleaning time to be allowed for tables and seating at the end of the lunchtime period.</p> <p>COVID Standards for kitchens Guidance for Food Businesses on Coronavirus. https://www.gov.uk/government/publications/covid-19-guidance-for-food-businesses/guidance-for-food-businesses-on-coronavirus-covid-19</p>
Communicate with Contractors	HSWA 74	Pupils, Staff and visitors.	Low	<p>During the summer holiday period maintenance work may be undertaken. Contact your contractors and impress on them that where possible such work <u>must be</u> completed before Sept 2021 before the start of the new school term. Work includes cleaning, catering, adaptations, inspection and maintenance of equipment.</p> <p>Inform contractors and your suppliers, not to enter the school if they are displaying any symptoms of coronavirus (following the COVID-19: guidance for households with possible coronavirus infection)</p> <ul style="list-style-type: none"> Observe good hygiene practice. Contractors to sign in and out as is normal practice Consider times when contractors can complete work either before or after the school day. 	Use signs, posters and regular reminders to raise awareness.

<p>Management of Access Control to and from the building.</p> <p>General principles.</p>	<p>HSWA 74</p>	<p>Pupils, staff and visitors</p>	<p>Low</p>	<p>The social distancing 2 metre rule is no longer a requirement for all visitors attending the school building. As good practice, consider where possible retaining.</p> <ul style="list-style-type: none"> • All persons have a duty of care to look after themselves and others. They should be mindful of maintaining a respectable distance. • Movement of vehicles is PROHIBITED at the start and finish of nursery sessions. • Retain footpath markings and displayed signage as an aid to encourage parents, pupils and visitors to maintain reasonable distancing. 	<p>Use signs, poster's and regular reminders to raise awareness.</p>
<p>Test and Trace</p>	<p>Support the management of COVID-19</p>	<p>Staff, pupils and all visitors</p>	<p>Low</p>	<p>Self-Isolation (From 16th Aug) Children under the age of 18 years old will no longer be required to self-isolate if they are contacted by NHS Test and Trace as a close contact of a positive COVID-19 case. Instead, children will be advised to take a PCR test. (Early Years children should only take a PCR test if a member of their household tests positive)</p> <ul style="list-style-type: none"> • Confirmed cases must still to isolate if symptomatic or have had a positive test • Symptomatic individuals not to attend school <p>Contact tracing (from 19th July) Nurseries, schools and colleges will no longer be expected to trace close contacts, this will be undertaken by NHST&T they will:</p> <ul style="list-style-type: none"> • will work with the positive case to identify close contacts • contacts in a school setting only traced if specifically named by the positive case • Schools may be asked to help in identifying close contacts • T&T state that they currently do not envisage contacting schools in very many situations anyway. <p>Outbreak Management (from 19th July)</p> <ul style="list-style-type: none"> • Schools are expected to have an outbreak management plan to implement control measures and to work with Public Health in event of outbreak. • If an outbreak is in a school or the area is in ERA measures, a DPH may advise temporary reintroduction of some control measures – this is not clarified in guidance • These measures would be last resort, kept to minimum number of schools or groups as possible, and for the shortest amount of time • Schools Outbreaks to be classified as 'several' cases within 14 days • LA/PH will work with the school to recommend measures described in the contingency framework 	<p>DfE Schools COVID-19 operational guidance https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/999689/Schools_guidance_Step_4_update_FINAL.pdf</p> <p>Guidance Rapid asymptomatic testing in specialist settings (applies from Step 4) Rapid asymptomatic testing in specialist settings (applies from Step 4) - GOV.UK (www.gov.uk)</p> <p>If a parent insist on their child attending nursery or school when they have symptoms, the school can take the decision to refuse the child attending if, in their reasonable judgement, it is necessary to protect other pupils and staff from possible infection with COVID-19</p> <p>From 9th December All individuals who have been identified as a close contact of a suspected or confirmed case on the Omicron variant of COVID-19 will be required to self isolate for 10 days and book a PCR test, regardless of vaccination status or age</p>

<p>Testing program</p>			<p>Over the summer settings will only provide tests for twice weekly asymptomatic testing for staff.</p> <p>There is no need for early years and primary age pupils (those in year 6 and below) to test over the summer period.</p> <p>Confirmatory PCR tests</p> <ul style="list-style-type: none"> • Staff with a positive LFD test result should self-isolate in line with the stay at home guidance. They will also need to get a free PCR test to check if they have COVID-19 to confirm the result. • Whilst awaiting the PCR result, the individual should continue to self-isolate. • If the PCR test is taken within 2 days of the positive lateral flow test, and is negative, it overrides the self-test LFD test and the pupil can return to their setting, as long as the individual does not have COVID-19 symptoms. • Those with a negative LFD test result can also continue to attend school. <p>Staff will continue to use the LFD test kits provided to schools:</p> <ul style="list-style-type: none"> • All school staff are offered twice weekly LFD testing to be completed at Home - this will help identify those who are carrying the virus without displaying symptoms, reducing the risk of transmission • Early Years and Primary School Pupils will not be tested with LFD. <p>Testing remains voluntary, but those who are eligible for tests are strongly encouraged to participate to reduce the risk of transmission within schools and colleges.</p> <p>.....</p> <p>The school already operate an electronic signing or manual in/out system of recording visitors.</p> <p>The following information would be required by the Test and Trace operators and therefore the documentation must be made available for up to 21 days, if requested by the NHS:</p> <p>Staff</p> <ul style="list-style-type: none"> • the names of staff who work at the premises, • a contact phone number for each member of staff, • the dates and times that staff are at work. <p>Visitors.</p> <ul style="list-style-type: none"> • the name of the visitor. If there is more than one person, then you can record the name of the 'lead member' of the group and the number of people in the group 	<p>If schools have any questions they should complete the asymptomatic testing contact form or call 0800 046 8687 (Mon-Fri 8am to 6pm, Sat-Sun 10am to 6pm)</p> <p>From 9th December 2021 All staff are strongly encouraged to take regular LFD testing.</p> <p>Parents/ carers and other visitors are strongly encouraged to take a LFD test before entering the setting to meet with staff</p> <p>Over the Christmas break all staff are strongly encouraged to take an LFD test if they will be in a high risk situation that day and before visiting people who are at higher risk of severe illness in the get COVID -19</p> <p>Maintaining Records of staff Customers and Visitors to Support NHS Test & Trace. https://www.gov.uk/guidance/maintainin-g-records-of-staff-customers-and-visitors-to-support-nhs-test-and-trace?utm_source=e159c002-348d-40e9-892a-656cc5916a0f&utm_medium=email&utm_campaign=govuk-notifications&utm_content=daily</p> <p>Staff and pupil details are held by the school</p> <p>Visitors are recorded using the school signing in system</p>
------------------------	--	--	--	--

<p>Maintaining records of staff and visitors to support the NHS Test and Trace</p>				<ul style="list-style-type: none"> • a contact phone number for each visitor, or for the lead member of a group. • date of visit, arrival time and departure time the name of the member of staff who they are meeting, or activity being delivered on behalf of the school, the names of any learners they are working with. <p>If you have several confirmed cases within 14 days, or an overall rise in sickness absence where coronavirus (COVID-19) is suspected, you may have an outbreak. Call the DfE Helpline on 0800 046 8687 and selecting option 1 for advice on the action to take in response to a positive case. Additionally - contact HPCC Team on 01942 404240 to notify your incidents and seek advice</p>	<p>Help contain any outbreak by following local health protection team advice</p>
<p>Entering and leaving the School Site</p>	<p>Spread of Virus/failure to comply with social distancing rules</p>	<p>Staff/Visitors</p>	<p>Low</p>	<ul style="list-style-type: none"> • Start and finish times no longer need to be staggered. • Doorstep drop offs remain in place. • Pre school children enter and exit the school building through the main entrance door. • Under 3s children enter and exit the school building through the Under 3s entrance door. • Anyone entering the school site may have their temperature taken and be asked the following questions: <ul style="list-style-type: none"> ○ Have you had a persistent cough, high temperature or loss of taste and smell in last 10 days? ○ Has anyone in your household had any of these symptoms in the last 10 days? • Anyone found to have a temperature of 37.8 or higher, will be asked to leave site and advised to follow the COVID-19: guidance for households with possible coronavirus infection guidance, and self-isolate themselves for 10 days and the rest of their household for 10 days. • Anyone answering YES to either of the above questions will be asked to leave site and follow the COVID-19: guidance for households with possible coronavirus infection guidance, and self-isolate themselves and their household for 10 days. • Hand sanitiser stations will be positioned on the entrance to the building and must be used by all pupils and visitors. • Parents will be asked to book an appointment if they wish a meeting with the staff, ring or book a virtual meeting. • Visitors prior to leaving must sign out at the school Reception office 	<p>The school will have a window of 15 minutes at the busiest drop off and collection times to reduce the numbers of children and parents waiting.</p> <ul style="list-style-type: none"> • AM – 8.55am – 9.10pm • PM – 2.55pm – 3.05pm <p>Guidance (COVID-19) Coronavirus restrictions: what you can and cannot do COVID-19) Coronavirus restrictions: what you can and cannot do - GOV.UK (www.gov.uk)</p> <p>Stay at Home Guidance for Households with Possible Coronavirus Infection https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance</p> <p>From 9th December 2021 All parent/carers and other visitors must wear a face covering (unless exempt) when entering the school premises.</p> <p>Parents/ carers and other visitors are strongly encouraged to take a LFD test before entering the setting to meet with staff</p>

Communicating with parents on changes	Safety of others.	Pupils, staff and parents.	Low	<p>Inform parents/carers that</p> <ul style="list-style-type: none"> • They or their children must not to enter the school if they are displaying any symptoms of coronavirus. (Following the COVID-19: guidance for households with possible coronavirus infection) • If their child needs to be accompanied into school, only one parent should attend. • Display a polite notice at the entrance points to the school grounds of prohibited actions / where the office is located. <p>Enhanced Response Area. Local authorities, directors of public health and PHE health protection teams may recommend measures described in the contingency framework in individual education and childcare settings – or a small cluster of settings – as part of their outbreak management responsibilities.</p>	<p>Step 4 - what parents and carers need to know about early years providers, schools and colleges Updated 8 July 2021 What parents and carers need to know about early years providers, schools and colleges - GOV.UK (www.gov.uk)</p> <p>From 9th December 2021 Parents/carers are informed of the changes to the school operation procedures in light of the Government implementation of Plan B of the COVID-19 response</p>
<p>Communication with Staff</p> <p>Protection against infection</p>	Personal safety	Staff	Low	<p>Inform staff about the changes in the Government guidance and the measures currently implemented in Wigan as an Enhanced Response Area (ERA) safeguarding measures, timetable changes, the daily routine of the school and the Outbreak Management Plan (OMP) that outlines how the school should operate if additional measures are recommended for your setting.</p> <ul style="list-style-type: none"> • Avoiding contact with anyone with symptoms of COVID-19 • Continue frequent hand cleaning and good respiratory hygiene practices • Frequent cleaning of all room hard surfaces, furniture, toys, classroom taps, door handles, etc. • Ensuring good respiratory hygiene - promote the 'catch it, bin it, kill it' approach. • GOV.UK recommendations for maintaining a safe working environment. <p>Enhanced Response Area. Local authorities, directors of public health and PHE health protection teams may recommend measures described in the contingency framework in individual education and childcare settings – or a small cluster of settings – as part of their outbreak management responsibilities.</p>	<p>Actions for schools during the Coronavirus Outbreak (DfE School Operational Guidance. 					protective-equipment-ppe
Working environment Stay Alert, Stay Safe.	Good Practice	Pupils and Staff	Low	<p>Hand hygiene and respiratory hygiene measures stay the same.</p> <p>Disposable cleaning products (cloths, aprons, gloves, masks, mops) to be available and stock levels are maintained.</p> <p>Consider the following good practice. to help minimize the risk of the virus spreading to both staff and pupils, the school will:</p> <ul style="list-style-type: none"> • Inform pupils, parents and visitors they must not enter the school if they are displaying any symptoms of coronavirus. • Remind parents and pupils to be mindful and reduce any unnecessary travel on public transport. • Staff are reminded to keep left in corridors and where possible floor marking are in place to divide the space • Doorstep drop offs remain in place. • Pre school children enter and exit the school building through the main entrance door. • Under 3s children enter and exit the school building through the Under 3s entrance door. • Classroom based resources, such as books and games, should be cleaned regularly, along with all frequently touched surfaces. • Resources such as sports, art, IT equipment should be cleaned before it is reused. 	<p>Face covering are not recommended for use in schools</p> <p>Information and procedures to be brought to the attention of all staff.</p>
Personal Protective Equipment	Personal protection	Pupil and Staff	Low	<p>From 19 July, face coverings will no longer be advised for pupils, staff and visitors either in classrooms or in communal areas, however staff have to option to wear a face covering if they wish.</p> <p>Visitors, including parents/carers will be asked to wear a face covering whilst in school</p> <p>The new expectation is that they are worn in enclosed and crowded spaces where you may come into contact with people you do not normally meet. This includes public transport and dedicated transport to school.</p> <p>Face visors or shields can be worn by those exempt from wearing a face covering but they are not an equivalent alternative in terms of source control of virus transmission.</p> <p>Children in primary school do not need to wear a face covering.</p> <p>Safe wearing of face coverings requires the:</p> <ul style="list-style-type: none"> • cleaning of hands before and after touching – including to remove or put them on • safe storage of them in individual, sealable plastic bags between use 	<p>Guidance Safe working in education, childcare and children’s social care settings, including the use of personal protective equipment (PPE) (applies until Step 4)</p> <p>https://www.gov.uk/government/publications/safe-working-in-education-childcare-and-childrens-social-care/safe-working-in-education-childcare-and-childrens-social-care-settings-including-the-use-of-personal-protective-equipment-ppe</p> <p>DfE Face Coverings in Education. Face coverings in education - GOV.UK (www.gov.uk)</p>

				<p>Where a face covering becomes damp, it should not be worn, and the face covering should be replaced carefully. Staff should consider bringing a spare face covering to wear if their face covering becomes damp during the day. See guidance link for further information.</p>	
First Aid	Support to others	Pupils, staff and Visitors	Low	<ul style="list-style-type: none"> The number of first aiders to be available within school for the school population has not changed. For Nursery and Early Year classes, the need for a Paediatric first aider remains a requirement of the EYFS. The school has sufficient trained Paediatric first aiders to cover staff absences. If a pupil becomes unwell with symptoms of coronavirus while in the school and needs direct personal care until they can return home, a distance of 2 metres must be maintained. A fluid-resistant surgical face mask should be worn by the supervising adult. If contact with the pupil/person is necessary, then gloves, an apron and a fluid-resistant surgical face mask should be worn by the supervising adult. Staff who have helped anyone with suspected symptoms do not need to go home and self-isolate for 10 days unless they develop the symptoms themselves or the symptomatic person tests positive. Contact NHS for a test or use the Lateral flow test kits if available in school. If the situation determines that there is a risk of splashing to the eyes, for example from coughing, spitting, or vomiting, then eye protection should also be worn. Supervising staff must wash their hands thoroughly for 20 seconds after supporting the student. To support staff and monitor possible infection of coronavirus LFD testing undertaken completed 2 x weekly is strongly encouraged. 	<p>Actions for Early Years and Childcare Providers during the Coronavirus Outbreak https://www.gov.uk/government/publications/coronavirus-covid-19-early-years-and-childcare-closures/coronavirus-covid-19-early-years-and-childcare-closures</p> <p>DfE Schools COVID-19 operational guidance https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/999689/Schools_guidance_Step_4_update_FINAL.pdf</p> <p>COVID-19 Symptoms includes;</p> <ul style="list-style-type: none"> High Temperature 37.8°C Continuous Cough Loss of taste and smell <p>Contact Health Protection for further advice on a Positive COVID test result.</p>
Lateral Flow Device Testing	Testing for Coronavirus	All school staff	Low	<p>Lateral Flow Device (LFD) tests kits are provided for staff use. Swabbing and processing of this test will be conducted twice weekly by staff at home, with results available in around 30 minutes. (Primary School pupils are not tested.)</p> <p>For all results whether they are positive, negative or invalid/void, Staff should report their result to NHS Test and Trace as soon as the test is completed either online or by telephone as per the instructions in the home test kit.</p> <p>Staff must also inform their school of the LFD test result.</p>	<p>Guidance PPE portal: how to order COVID-19 personal protective equipment (PPE) PPE portal: how to order COVID-19 personal protective equipment (PPE) - GOV.UK (www.gov.uk)</p> <p>To reorder test kits, the school must use their DfE sign in account</p> <p>From 9th December 2021 Parents/ carers and other visitors are strongly encouraged to take a LFD test before entering the setting to meet with staff</p>

Classroom Management	Staffing	Pupils and staff	Low	<p>Bubbles are no longer recommended from 19th July, From September 2021:</p> <ul style="list-style-type: none"> • Pre school and Under 3s will operate normally. The two groups will be keep separate wherever possible • No longer need alternative arrangements at lunch. Children will eat their lunch in their own room. • All children and visitors will sanitise their hands before entering the school building • All staff and pupils to continue to frequently clean their hands - wash hands thoroughly for 20 seconds with soap and running water then thoroughly dry them, ensuring that all parts of the hands are cleaned. • Children will be regularly reminded about good respiratory hygiene - promote the 'catch it, bin it, kill it' approach • Regularly clean frequently clean touched hard surfaces, furniture using standard detergents products/sanitiser bacterial wipes or spray. <p>From Step 4, the Government is removing the requirement to wear face coverings in law but expects and recommends that they are Lowworn in enclosed and crowded spaces where you may come into contact with people, you do not normally meet.</p> <p>The above measures can be reintroduced as part of any outbreak control measures</p> <ul style="list-style-type: none"> • Hand hygiene and respiratory hygiene measures stay the same • Disposable cleaning products (cloths, aprons, gloves, masks, mops) to be available and stock levels are maintained. • If a pupil who is unwell or shows symptoms of COVID-19 they are to be removed from the group and parents informed. 	<p>DfE Schools COVID-19 operational guidance https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/999689/Schools_guidance_Step_4_update_FINAL.pdf</p> <p>Safe working in education, childcare and children's social care settings, including the use of personal protective equipment (PPE) https://www.gov.uk/government/publications/safe-working-in-education-childcare-and-childrens-social-care/safe-working-in-education-childcare-and-childrens-social-care-settings-including-the-use-of-personal-protective-equipment-ppe</p> <p>In the event of an outbreak, the Director of Public Health might advise you that face coverings should temporarily be worn in communal areas or classrooms (by pupils, staff and visitors, unless exempt)</p> <p>With the arrival of the Omicron variant of COVID-19 the wearing of face coverings (unless exempt) for staff in communal areas of school has been re-introduced.</p>
Early Years classes	Nursery and Reception		Low	<p>Early years groups in school:</p> <ul style="list-style-type: none"> • Bubbles are no longer recommend as necessary to keep children in groups. • Ensure play equipment that is used is appropriately cleaned after use by groups of children. • All children who are CEV should attend their setting unless they are one of the very small number of children on the Paediatric or other specialist care who have been advised by their GP or clinician not to attend. • Paediatric first aid cover – see first aid section above • Review where required the EHCP and other support plans of the named pupils. 	<p>Actions for Early Years and Childcare Providers during the Coronavirus Outbreak. https://www.gov.uk/government/publications/coronavirus-covid-19-early-years-and-childcare-closures/coronavirus-covid-19-early-years-and-childcare-closures</p> <p>Where safety and/or management concerns remain, these should be discussed with the school management and options identified for further discussion with the local authority or</p>

Outbreak Management Plan

This draft Outbreak Management Plan (OMP) outlines how the school should operate if additional measures are recommended for your setting or for the local area. The Director of Public Health, (Wigan) the Public Health England Health Protection Teams or the Local Authority may recommend specific measures are re-introduced to help manage the COVID-19 outbreaks in the school or the community, plus additional measures in response to a variant of concern, based on the Government advice and scientific evidence at that time.

N.B- THE FOLLOWING CONTROL MEASURES DO NOT NEED TO BE PUT INTO PLACE UNLESS RECOMMENDED BY THE DIRECTOR OF PUBLIC HEALTH, PHE HEALTH PROTECTION TEAMS OR THE LOCAL AUTHORITY

Contingency planning to provide continuity of education in the case of a local outbreak	Major unplanned event. Anxiety	School staff and families	Low	<p>If there is significant concern that existing or recently introduced measures in an area have failed to mitigate community transmission, or that a more robust response is required to contain the outbreak of a VoC it may be necessary to limit the number of children and young people in education or childcare settings through attendance restrictions.</p> <p>Schools Outbreaks to be classified as 'several' cases within 10 days</p> <p>Restrictions on pupil attendance should only be considered as a last resort, following the DfEs Contingency Framework and in collaboration with the guidance provided by the Wigan's Health Protection CC and the Local Authority.</p>	<ul style="list-style-type: none"> Ensure remote learning platform remains. Provision in place for key worker and vulnerable children attendance. (as per national lockdowns) <p>DfE helpline on 0800 046 8687 and selecting option 1 for advice on the action to take in response to a positive case. Additionally - contact HPCC Team on 01942 404240 to notify your incidents and seek advice.</p>
Variant of Concern (VoC)	Infection rate	Staff and Pupils	Low	<p>When a variant of COVID-19 is classed as a variant of concern (VoC), DHSC will increase targeted testing in that area to help suppress and control any possible new cases and better understand the new variants.</p>	<ul style="list-style-type: none"> Increased use of home testing for staff. Primary school pupils not currently tested
School educational management		Staff and Pupils	Low	<p>Temporary re-introduction of age group bubbles</p> <ul style="list-style-type: none"> Maintain good hand hygiene (Frequent cleaning)and respiratory measures, (Catch it. Bin it. Kill it.) Frequent cleaning of high touch hard surfaces Review Cleaning schedules to ensure enhanced cleaning is being maintained. Age group bubbles re-introduced , for a temporary period to reduce mixing between groups. Staggered entrance/ exit times Re-introduction of the one way system Use of different entrances for specific groups Staggered/limited use of communal areas Resources will not be shared within age groups 	<p>Follow the advice of the local Health Protection team advice.</p>
Temporary re-introduction of face coverings.		Staff and Pupils	Low	<p>In all cases any educational drawbacks in the recommended use of face coverings should be balanced with the benefits in managing transmission and should allow for reasonable exemptions for their use.</p> <p>Primary and Secondary School</p> <ul style="list-style-type: none"> Face coverings worn by staff and visitors, in communal areas unless they are exempt. 	<p>Face visors or shields can be worn by those exempt from wearing a face covering but they are not an equivalent alternative in terms of source control of virus transmission.</p>

Shielding - CEV		Staff and Pupils	Low	<p>Temporary re-introduction of shielding in the event of a major outbreak or variant of concern that poses a significant risk to individuals on the shielded patient list.</p> <p>Pupils may be subject to the recommendations of a Clinician supporting the child</p> <p>SHIELDING CAN ONLY BE RE-INTRODUCED BY NATIONAL GOVERNMENT.</p>	<ul style="list-style-type: none"> Individual risk assessments regularly reviewed and specifically in line with any updated government guidance regarding VoCs. Remote learning platform in place for children who are advised to shield.
Out of School Visits		Staff and Pupils	Low	<p>Temporary limit to certain school activities;</p> <ul style="list-style-type: none"> residential educational visits day visits open days transition and taster days parental attendance in settings performances in settings Sessional activities (Xmas play/Choirs, etc.) 	<p>Help contain any outbreak by following the advice of the local Health Protection team advice.</p>
<p>Further Information: The guidance issued by the Government may change as we continue to move forward further scientific advice. Such new or amended guidance will be published on the GOV.UK web site.</p>

COVID-19 Actions for Schools Guidance for Full Opening – Schools

<https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak/guidance-for-full-opening-schools>

Control Measures.

1. Ensure good hygiene for everyone

Hand hygiene

Frequent and thorough hand cleaning should now be regular practice. You should continue to ensure that pupils and students clean their hands regularly. This can be done with soap and water or hand sanitiser.

You should also continue to consider:

- how often pupils, students and staff will need to wash their hands
- whether staff working with pupils and students who spit uncontrollably want more opportunities to wash their hands than other staff
- whether pupils and students who use saliva as a sensory stimulant or who struggle with 'catch it, bin it, kill it' need more opportunities to wash their hands
- how to help pupils and students with complex needs to clean their hands properly.

Respiratory hygiene

The 'catch it, bin it, kill it' approach continues to be very important. As with hand cleaning, you should ensure that younger pupils and those with complex needs are helped to get this right.

Some pupils and students with complex needs will struggle to maintain as good respiratory hygiene as their peers, for example, those who spit uncontrollably or use saliva as a sensory stimulant. This should be considered as part of your risk assessment in order to support these pupils and students and the staff working with them and is not a reason to deny these children and young people face-to-face education.

The e-Bug COVID-19 website contains free resources for settings, including materials to encourage good hand and respiratory hygiene.

Use of personal protective equipment (PPE)

Most staff in schools and colleges will not require PPE beyond what they would normally need for their work. If a pupil or student already has routine care needs that involve the use of PPE, the same PPE should continue to be used.

Additional PPE for COVID-19 is only required in a very limited number of scenarios, for example, when performing aerosol generating procedures (AGPs).

The guidance on the use of PPE in education, childcare and children's social care settings provides more information on the use of PPE for COVID-19.

2. Maintain appropriate cleaning regimes, using standard products such as detergents

You should put in place and maintain an appropriate cleaning schedule. This could include regular cleaning of areas and equipment (for example, twice per day).

PHE has published guidance on the cleaning of non-healthcare settings.

3. Keep occupied spaces well ventilated

When your setting is in operation, it is important to ensure it is well ventilated and a comfortable teaching environment is maintained.

You should identify any poorly ventilated spaces as part of your risk assessment and take steps to improve fresh air flow in these areas, giving particular consideration when holding events where visitors such as parents are on site, for example, dramatic productions.

Mechanical ventilation is a system that uses a fan to draw fresh air, or extract air from a room. These should be adjusted to increase the ventilation rate wherever possible and checked to confirm that normal operation meets current guidance and that only fresh outside air is circulated.

If possible, systems should be adjusted to full fresh air or, if this is not possible, then systems should be operated as normal as long as they are within a single room and supplemented by an outdoor air supply.

Where mechanical ventilation systems exist, you should ensure that they are maintained in accordance with the manufacturers' recommendations.

Opening external windows can improve natural ventilation, and in addition, opening internal doors can also assist with creating a throughput of air. If necessary, external opening doors may also be used (if they are not fire doors and where safe to do so). You should balance the need for increased ventilation while maintaining a comfortable temperature.

The Health and Safety Executive guidance on air conditioning and ventilation during the coronavirus outbreak and CIBSE COVID-19 advice provides more information. DfE is working with the Scientific Advisory Group for Emergencies (SAGE) and NHS England on a pilot project to measure CO2 levels in classrooms and exploring options to help improve ventilation in settings where needed.

4. Follow public health advice on testing, self-isolation and managing confirmed cases of COVID-19

When someone develops COVID-19 symptoms or has a positive test

Pupils, students, staff and other adults should follow public health advice on when to self-isolate and what to do. They should not come into their education setting if they have symptoms or other reasons requiring them to stay at home due to the risk of them passing on COVID-19 (for example, they are required to quarantine or have a positive test).

If anyone in your setting develops COVID-19 symptoms, however mild, you should send them home and they should follow public health advice.

If a pupil in a residential setting shows symptoms, they should usually self-isolate in their residential setting so that their usual support can continue, while others may benefit from self-isolating in their family home.

For everyone with symptoms, they should avoid using public transport and, wherever possible, be collected by a member of their family or household.

If a pupil is awaiting collection, they should be left in a room on their own if possible and safe to do so. A window should be opened for fresh air ventilation if possible.

Appropriate PPE should also be used if close contact is necessary, further information on this can be found in the use of PPE in education, childcare and children's social care settings guidance. Any rooms they use should be cleaned after they have left.

The household (including any siblings) should follow the PHE stay at home: guidance for households with possible or confirmed coronavirus (COVID-19) infection.
